

CTF CENTRE RE-INSPECTION REPORT

INSTRUCTIONS:

1. Complete this report when a centre fails its initial inspection.
2. Come to an agreement on when the non-compliant areas of the centre will be fixed.
3. Re-inspect the centre after the agreed-upon date, only in the non-compliant areas.
4. Attach relevant pages of the Centre Inspection Report to this document.
5. Once the centre is completely within specification and this report is completed, the centre will change from "pending" status to "certified" and CTF National Office will mail a certificate to the centre.
